## Operation Noah and Christian Ecology Link.

The Stop Climate Chaos "I count" rally takes place on the eve of critical international climate change talks in Nairobi. We would like to see thousands of Christians join other members of the *Stop Climate Chaos* coalition at the rally and other events to send a message to Tony Blair and other world leaders that we share God's passion for justice, and care about climate change

### Programme for the day:

**10am onwards: Gathering Point for Christians who care about climate justice: Grosvenor Chapel W1K 2PA.** Doors open and refreshments served from 10am. Nearest tube station: Green Park.

**11.15: Worship Service:** organised by Operation Noah and Christian Ecology Link
