

Ordinary Christians, extraordinary times

ChristianEcologyLink

Setting up a Christian Ecology Link Stall

Thank you for agreeing to set up a stall for Christian Ecology Link. These are some suggestions to help you.

Check with the organizers that a table and chair will be available for you. A table cloth will make the table look more attractive. Food always makes people notice a stall. You could take along a nice organic loaf of bread – to promote CEL's LOAF campaign for food which is locally produced, organically grown, animal friendly and fairly traded. The loaf can be cut up into very small pieces for people to try.

Leaflets and other printed material: If you think you will need more of any item please email jill-publications@christian-ecology.org.uk or telephone 0113 266 5165. The material may arrive in separate packages. This is because our stock is dispersed around several volunteers. If you have not been sent copies of *Green Christian* magazine and the *ecocell* CD and would like to have some to sell please ask Jill and a few copies can be sent to you.

Sign-up Sheet for Members and Friends News Email: Please encourage people who are interested in CEL's work to sign up for receiving CEL's free 'Members and Friends News Email'. 'Members' refers to paid up CEL members, 'Friends' loosely refers to anyone else interested in receiving the news email. You can assure people that CEL never gives away email addresses. Please do your best to protect the list of email addresses being copied by other visitors to the stall. After the event send the list to Judith Allinson, CEL Web-Editor, 6 Willow Wood, Langcliffe, Settle, North Yorkshire BD24 9NT. 01729 822138 webeditor@christian-ecology.org.uk

Laminated posters: If you have ordered a set of laminates they will come separately. They have fuzzy pads for attaching to display boards or they can be blu-tacked to the wall behind the stall, or to the front edge of the table. After the event please return them to the address that you will have been given. If you would like to order laminates please contact Wendy MacGregor on 01506 848096 or wendy.macgregor@tiscali.co.uk to see if a set is available.

Items for Sale: Only copies of *Green Christian* magazine (see below) and the *ecocell* CDs (£5 each) are for sale. All the other material is to be given away freely – though donations are always welcome! Any money taken should be sent as a cheque made payable to Christian Ecology Link and sent to CEL's treasurer, Eleanor Orr, 35 Kitto Road, London SE14 5TW. It helps if you include a brief note saying which event the money is from.

Selling *Green Christian* magazine: The normal price for the current issue of *Green Christian* is £3.50. You can offer it for a reduced rate at your event. We suggest you make a sign to say:

Green Christian on sale today for a bargain price of £2.00 – normal price £3.50.
OR FREE IF YOU JOIN CEL TODAY.

New Members

If someone joins on the day please get them to fill in the form on the back of the *Storm of Hope* brochure, take their cheque if they are paying that way, and send the form and cheque to CEL treasurer Eleanor Orr, 35 Kitto Road, London SE14 5TW. If they fill in the standing order form you can still send the form with the other money you have collected on the day to Eleanor.

After the event: If you have a use locally for any of the material left over then please keep it and display it. If not, then please return it to CEL.

Thank you very much indeed for your help with this stall. If you need any further information please contact Laura at Christian Ecology Link, 3 Bond Street, Lancaster LA1 3ER. 01524 36241 info@christian-ecology.org.uk
